

GILROY ELECTED PRINCETON PILOT

Halfback of Two Seasons Is Chosen Captain of 1922 Tiger Eleven

WAS PREP SCHOOL STAR

Princeton, N. J., Nov. 29.—Ralph Charles Gilroy of Haverhill, Mass., has been elected captain of the 1922 Princeton football eleven by the men who carried their varsity letters for playing football at Harvard game this season.

He succeeds J. Stanton Keck, tackle of Walter Camp's All-American team in 1920, and is a brother of John Gilroy, who was high point scorer in 1916 while at Georgetown.

Gilroy appeared for Princeton at the Haverhill High School and at Exeter, playing halfback on both school teams. He was halfback on the Tiger 1923 championship, freshman eleven, and for two years has been a regular in the Princeton varsity backfield.

Gilroy is essentially a defensive man, and consequently was not widely heralded until the Harvard game in October, when he ran 65 yards for the winning touchdown. He has been regarded here as a sterling player for two years, however, and his election was not unexpected.

During his two years on the varsity the new leader has started every contest and finished a large majority of them. He is one of the most rugged men on the team, in spite of the fact that he weighs but 165 pounds and is but 5 feet 9 inches tall. He is 21 years old. In addition to his gridiron activities he plays third base on the baseball nine, and is also something of a star at hockey, being kept from this game by the two-sport rule here.

Abs Goldstein Beats Harry London New York, Nov. 29.—At the Star Casino in Harlem Abs Goldstein received the decision over Harry London after twelve rounds of hard boxing, in which the semi-finalist was the more aggressive fighter.

Boxers Barred in Montreal Montreal, Nov. 29.—Mike McTigue, N. J. middleweight, has been barred from participating in future bouts here by Chief of Police, H. J. O'Connell, who said they had broken a contract to appear here. The two boxers had been scheduled to fight at Madison Square Garden next Thursday.

HUGGINS PLANS FOR 1922

Hopes to Make Trades at Minor Leagues' Meeting New York, Nov. 29.—Miller Huggins, manager of the New York American League Baseball Team, was in the city today for a conference with the Yankee owners regarding strengthening of the team for the 1922 season.

The leader of the American League champions said he would attend the meeting of the minor leagues at Buffalo, December 5, and hoped while there to make some beneficial trades or purchases.

Our filing troubles are over! writes the Wayne Oil Tank and Pump Co., Fort Wayne, Ind. Their experience (see diagram) is like that of hundreds of companies that have installed L.B. Files and systems.

Today—files must not only file—they must save TOO many files today are merely repositories for holding and delivering records.

The progress of business today demands that: 1. Files must assist in producing new business. They must be alive with invaluable information; readily accessible to all departments for reference and business-getting in a tight market.

2. Files must conserve space, money and time. You can easily test the efficiency of your present filing system by four simple questions. Is it helping other departments produce business? Is it conserving labor? Is it saving space? Is it saving time by prompt delivery of every record?

In the affirmative answer to these questions is summarized the experience of thousands of offices now using L.B. Filing Library Bureau
